

GIACOMO D'ANDREA

Italian , 38 years old

Yacht Captain

I started sailing when I was 5 years old, racing dinghies and monotypes. Following my degree in Marine Sciences, I worked as sailing instructor and coach in the Italian youth national team.

I joined the Yachting Industry in 2010, completed several crossings of both the Atlantic and Pacific Ocean, working with professional crews onboard luxury charter boats in the Mediterranean and in the Caribbean.

In the last two years I have been in command of performance Sailing Yachts. My goal in my job is to provide a happy and relaxed holiday to my charter guests on a well maintained yacht, keeping a special focus on the safety at sea.

I am fluent in both Spanish and English with Italian being my native language.

When I'm not sailing, I love to travel to enjoy new kitesurfing spots.
